

Loki's Metaphor Salad

Burdened With Glorious Purpose

Loki, Season 1 Episode 2

The second episode of Loki follows Loki as he helps the Time Variance Authority and Mobius M. Mobius search for a "variant" Loki who is causing trouble to the sacred timeline. Loki figures out this mysterious other Loki is hiding in time in various apocalyptic events. While explaining this to Mobius, Loki talks about the destruction of Asgard, which happened during Thor: Ragnarok, and uses Mobius' salad to represent his home planet. The destruction of Asgard AKA Mobius' lunch, has caused a lot of reactions from fans.

Loki, Season 1 Episode 2

Disney bought Marvel for \$4.24 billion, and the deal was approved on December 31, 2009. After that came the divisions of Marvel Television and [Marvel Studios](#), and a lot of films and TV shows that had a bigger impact on the film industry than many anticipated.
